Dear Friends,

A warm welcome to you all,

We believe that staying in a dormitory where all types of technological, cultural and sportive facilities are offered under campus safety, will be the best start for your academic life. This will also shorten your adaptation period to the university.

Since your personal needs like cleaning, nutrition, transportation and security will be solved in the best and fastest way, you will be free to focus on your lessons.

The library, sports complexes, cultural activity centers, computer laboratories and all other facilities on the premises of the campus will be at

your disposal and within easy reach. You will carry out your studies in a safe and peaceful environment, away from traffic, noise and disorder of the city, an issue on which the university is highly sensitive.

The warm friendship you will build with our staff will make you feel at home.

We have done and are continuing to do everything in the best possible way to make your university years the most unforgettable period of your life.

And we want to gain your trust by providing you with the best of everything as you deserve them all...

EMU-2 Dormitory Features: On the ground floor of the dormitory, there is a TV room. There are kitchens on each floor where students can cook their own food. Each dorm room is equipped with air-conditioning and electric generators to go into service in case of a power failure. Every room in the dormitory has a phone for incoming calls.

The dormitory is cleaned on a regular basis. Baths, toilets and sinks in the rooms are cleaned everyday. The entire dormitory is cleaned twice a week. Hot water runs every day at specified hours. Students' bed sheets are changed fortnightly.

Students can also benefit from laundry facilities at prices determined by the university in the laundry room located on the ground floor of the dormitory. Most of the standard double and triple rooms in the dormitory have a balcony with a sea view. It is designed in a way so that every two room shares a bathroom.

The rooms have bunk beds and a study area below each bunk. Every room is furnished to meet students' needs. In "Special Double Rooms", the bath and WC, study and bed areas are separate.

Every room is furnished with a comfortable sitting set to allow students to rest and chat. In order to make our students feel comfortable in the dormitory, the dormitory representatives, comprised of students selected by the Dormitory Directory, provide a relaxing environment to enable students to talk about their problems. The administrative personnel and the security are also ready to solve student problems promptly and with great sensitivity.

EMU-II Dormitory has gained much popularity and is distinguished easily, thanks to its exterior architecture. Students will have a chance to live a modern life where priority is given to home comfort and warmth.

In 1990, the Sabancı Dormitory was constructed by VAKSA and transferred to the university. It is built on an area of 3400m² accommodating 190 students. It has a ground floor plus 3 floors.

The ground floor of Sabancı Dormitory houses the superintendent's office and a cafeteria. All Sabancı Dormitory rooms are triple. The beds which are placed on top of the study units are planned in a bunk system. Students have their own wardrobe, telephone, mini-fridge and cupboard in their rooms. All rooms are air-conditioned. The dormitory's shared areas are cleaned everyday and also each room is cleaned twice a week by the staff. The students receive a bed sheet, duvet cover and blanket to use in their rooms. Bed sheets and duvet covers are changed fortnightly. It is sufficient for students to only bring a towel and similar personal belongings to the dormitory. There is hot water available at certain times every day in the dormitory. The generator provides electricity in cases of power failure. There is a kitchen on the second floor for common use. Air-conditioned study rooms create a comfortable atmosphere for students to study. Students can communicate with outside world, thanks to the cable Internet access available in rooms. TV room has a television set with satellite broadcasts enabling students to watch Turkish and European channels.

Students sharing the same environment with foreign students get to know different cultures and people, helping them to easily develop communication with the world. In this way, lots of our students create strong friendship ties and carry on these friendships after university.

The rooms being triple give students a wide range of choice. In the triple rooms, the beds which are placed on top of the study units are planned in a bunk system. Students have their own wardrobe and cupboard. Each room is air-conditioned. The dormitory's common areas are cleaned every day and each room is cleaned twice a week. The dormitory management and staff are doing their best to make students feel at home.

About Us: As being the “most popular” dormitory, we are located in the university campus at the dormitories area within the short walking distance to the faculties and admin buildings. Our building is resistant to earthquakes and insulated against heat and sound. With the idea of “everything under one roof” it comprises of 3 blocks and 3 floors. At the entrance floor there is a supermarket, restaurant-cafe, barber and laundry collection center. In each floor we have fully equipped kitchen (stove, oven, microwave etc.) and a laundry for students’ use. We also have security guard, card entry system, security cameras, fire alarm system, 24 hours hot water and generator.

Room Features: Standard and suit rooms are designed for double occupancy and if requested each room could be used as a single room as well. There is **100 mbps unlimited free wireless (WIFI) – cable fiber internet access in each room** allowing students to carry out their academic studies and TV satellite system. Students can be reached directly through the automatic operator and also, room telephones can be used free of charge within the EMU campus as well. All the rooms are fitted with laminated flooring and each room has a remote control air-condition for winter and summer and a private bathroom (wc, washbasin, shower). There is also a place to prepare tea-coffee and some snacks.

Marmara Student Dormitory, located on campus and within a walking distance to all the campus buildings, was inaugurated in November 1999.

The dormitory building has the shape of the letter “H”, and can accommodate 175 male and 175 female students. All rooms are air-conditioned.

All rooms in the dormitory are 29 m² and have their own bathroom, WC and kitchen. There is also a mini-fridge and a TV set in every room. There are also 70 m² 2 + 1 suit rooms consisting of two bedrooms, a living room, American style kitchen, and a WC/bathroom.

In all rooms, beds, tables, chairs, a wardrobe and bed-side drawers are available, as well as a reception desk, restaurant, cafeteria, billiards hall, market and laundry. The dormitory also has its 50-car capacity private parking lot.

The services offered to our students at the dormitory are 24-hour hot water, room cleaning carried out three times a week, weekly change of bed sheets, 24-hour security and laundry. As students share the same environment with other students from different countries, they have the chance to meet friends from different cultures and establish strong friendship ties continuing even after their graduation.

Daily Needs

Students who prefer to reside at the on or off-campus dormitories enjoy the benefits of keeping track of or actively participating all social, cultural and sports activities

CLOTHING

Academic year at Eastern Mediterranean University begins in early October and ends in July. The temperature ranges between 5 and 35°C; due to the scarcity of rainy days students do not necessarily need very thick clothing, but can suffice with light weight outfits. The dormitory rooms have air-conditioners and all bed sheets and blankets are provided by the dormitory management. Students need only to bring their clothing and personal items with them. In addition, students can always meet their needs from shops located close to the campus.

**Eastern
Mediterranean
University**

"Virtue, Knowledge, Advancement"

TRANSPORTATION

The shuttle service provides on and off-campus transportation to students. There is also transportation service to and from dormitories located outside the campus area.

FOOD

In all the on and off-campus dormitories, there are cafeterias, canteens and similar places where students find variety of foods. Additionally, students may benefit from the Table d'Hote restaurant run by the University or, if they prefer, can prepare their own meals in kitchen facilities provided in each dormitory.

DRY CLEANING

Students can have their clothes dry cleaned at private dry cleaning shops located on the campus.

BOOKS-STATIONERY

There is a bookstore on campus where students can buy all their books and stationery to be needed throughout the year.

CULTURAL, SOCIAL AND SPORTS FACILITIES

Located on the campus, the Student Activity Center offers numerous activities throughout the year. The in-door and out-door sports complexes are located in the dormitory area. The traditional inter-dormitory football competitions are organized annually and attract many students to the event.

Each dormitory's specifications are provided in its own webpage.

Further information can be obtained from our directorate or the superintendent of the relevant dormitory via phone or e-mail.

1. How can I register to the dormitories?

Newly registered students are given the priority in the dormitories. Students can choose from among different types of on-campus dormitories according to their budget and dormitory features and register either via our liaison offices or by directly contacting the dormitory.

2. What are the features of the dormitories?

Each dormitory's specifications have been provided in its own webpage. You may also receive further information from our directorate or the superintendent of the relevant dormitory via phone or e-mail.

3. What would I need in the dormitory?

Pillows, blankets and bed sheets are provided by the dormitory management. Students only need to bring their personal items.

**Eastern
Mediterranean
University**

"Virtue, Knowledge, Advancement"

4. What kind of furniture is available in the dormitory rooms?

Each room plan is described with its furnishings in the liaison offices.

5. What rules apply in dormitories?

The rules applied in the dormitories are explained in detail on our webpage under “*EMU Student Dormitories Rules and Regulations*” and “*EMU-BOT Student Dormitories Rules and Regulations.*” In addition, each student is given a dormitory handbook upon entry to the dorm.

6. How is cleaning carried out?

Dormitory rooms and common areas are cleaned on a regular basis. In dormitories with common WCs and showers, each toilet/shower is shared by four students. Cleaning of these is carried out by the relevant dormitory staff.

7. How can I get my laundry done?

Students can get their laundry done by private companies offering such services on the campus. Most of the dormitories have common laundry rooms where students can do their own washing.

8. What are the dormitory fees like?

Information on the fees and the payment conditions is specified at dormitories.emu.edu.tr

9. What are the facilities in the common kitchen areas?

In dormitories with such areas, there are a sufficient number of ovens, stoves, microwave ovens, counters and sinks to enable students to do their own cooking. All other equipment need to be supplied by the student.

10. Are there enough number of common bathrooms or WCs in dormitories?

In Sabancı and EMU 1 Dormitories, bathrooms and WCs are shared while two rooms share one bathroom/WC in EMU-2 Dormitory. In EMU-4, each room has a separate toilet and a bathroom.
